

AP Readiness (APR) 2020-2021

All District high school students enrolled in an Advanced Placement course (STEM and/or Humanities) are invited to participate in AP Readiness hosted by Center X at UCLA in collaboration with Advanced Learning Options. AP Readiness, which will be conducted virtually, will provide rigorous, supplemental instructional support to Advanced Placement (AP) students in STEM and Humanities courses. AP Readiness also provides course-specific professional learning for AP teachers.

AP Readiness Sessions

STEM Strand

Biology
Chemistry
Environmental Science
Physics
Calculus
Statistics
Computer Science

Humanities Strand

English Language
English Literature
Psychology
Spanish Language
Spanish Literature
U.S. History
U.S. Government
World History
